Thank you for your recent gift of \$2,000.00, check number 503, dated 9/2/2010. Your gift is helping the Mission provide emergency services and life-changing programs to many homeless people in our community. As the seasons are changing, I am reminded that we will focus very soon on keeping people warm by preparing them with heavier clothing, coats, hats, and gloves and by getting them out of the falling temperatures. At the same time, I think about the transition of the Mission in general, with the new site on Broadway to help people rebuild their lives, develop skills, and even attend college or technical school.

We try to confront the multifaceted issues of poverty, and not simply scratch the surface, with our programs and services. Education and job training in a structured environment are two important ways to mainstream our clients socially and vocationally. For this reason, we are excited about the opportunities that our clients will have with the programs, space, and location of the hotel on West Broadway. God has given us a gift that we are using to alleviate the pain of injustice and to give the people with whom we work hope for a brighter tomorrow.

Sincerely,

Rev. Tim Moseley
President/CEO

Thank you for your tremendous support for our children's programs
